## Why “Crate– Style” Furniture?

### Handcrafted

- ◇ Every piece of Jess Crate Furniture is handcrafted in our North Carolina warehouse.
- ◇ Our pine is dried to our specifications of less than 10% moisture content for added stability, durability, and long life.
- ◇ Furniture panels are edge-glued in our own laminating plant with a premium wood glue. During sub-assembly each piece is secured with screws, glue, and nails. Afterwards, edges are routed for attractive water-based lacquer finishes.
- ◇ Our sanding and finishing teams go over each piece by hand to give a smooth custom six-step finish.
- ◇ Cushions are constructed of high-density polyurethane foam. Zippered upholstery materials are available in a variety of style, colors, and materials — all hand-sewn for a custom fit.

### Environmentally Friendly

- ◇ Jess Crate Furniture is made from the southern yellow pine tree, harvested from the most densely covered forest in North Carolina. More trees are planted than are harvested each year here, which creates and maintains resources for future generations of wildlife preservation and recreation.
- ◇ Our stains and lacquer finishes are completely water based. They have no harmful effects on the environment outdoors or indoors.

## Complete your wood furniture with one of our custom finishes!

We finish our Jess Crate furniture with water-based lacquers rather than oil-based lacquers. While both varieties are applied in the same manner, oil-based resins and lacquers are composed of many groundwater pollutants and contain six times as many volatile organic chemicals (VOCs) as water-based lacquers. VOCs are common in household products but are known to have harmful short- and long-term health effects. Water-based lacquers also dry faster than oil-based and are more UV resistant and durable than oil-based lacquers.

**Water-based lacquers are more efficient, more environmentally friendly,  
and safer for you & your family**

**Cherry Lacquer**

**Aged Honey Lacquer**

**Natural Lacquer**

**Dark Walnut Lacquer**

**White Wash Lacquer**

**Black Lacquer**

## Important Information about Shipping and Warranty

### **Fabric Samples**

Jess Crate offers free fabric samples to help you coordinate your furniture. Simply call us Toll Free at (800)220-JESS and speak with one of our sales associates about ordering fabric samples today!

### **Furniture Delivery**

Delivery is by common carrier and delivery rates are quoted on the size of the order and location of delivery. This services includes delivery of the packaged items to your home/business and placed in a safe and dry location outside your home/business. Inside delivery is available for most areas at an additional fee and should be arranged upon placing your order.

### **Our Guarantee**

#### ***Limited Warranty***

All Jess Crate products are guaranteed against defects in materials or workmanship for a period of one year from the date of delivery when manufacturers' recommendations for use and care are followed. When making a claim under our product guarantees, the original purchaser must provide a copy of the original packing slip or other proof of purchase. Any fault warrantied item, if returned freight prepaid to Jess Crate, will be repaired or replaced, at our discretion, free of charge.

### **Returns and Cancellations**

Because we custom manufacture products especially for our customers, all orders cancelled after 72 hours are subject to a 30% restocking fee. Furniture returns are only accepted within 30 days of receiving the item. The furniture must be shipped back to our factory at the purchaser's expense. Items must be in the original packaging and returned via a secured carrier approved by Jess Crate. The furniture must be received by our factory in new condition. Once received by our factory, a credit will be issued for the total of the item less a 30% cancellation fee. Shipping fees are non-returnable.

1 (800) 220-JESS

Merchandise is typically delivered in tractor-trailer rigs that can total 65 feet in length with 4 foot trailer bed height. These rigs are unable to navigate around landscaping bushes and trees, and low electrical or phone lines. By law, rigs are restricted to certain highways. They may be restricted from entering residential neighborhoods, nor are they permitted to double park.

Please discuss the following options, and the price differences between the different levels of service, with your sales consultant.

### Select One

**DROP SHIP: CAUTION! BIG RIGS!** Merchandise is cartoned, and then delivered direct from the factory via common carrier tractor-trailer rigs. There is no installation crew. The driver will push merchandise to the back of the truck. 24-48 hour notice is available prior to arrival. Staff must unload the items from the truck and carry them into the facility.

**CURB SIDE DROP SHIP: CAUTION! BIG RIGS!** Merchandise is delivered to your premises in cartons. Truck driver will unload and place merchandise at the curb. 24-48 hour notice is available prior to arrival. Staff must carry the items into the facility. Some merchandise can be delivered to your premises via standard UPS/RPS trucks.

**FULL SERVICE DELIVERY & INSTALLATION:** Smaller moving trucks will come to your facility. Their crew will uncarton and take each item to the designated room or area within the structures you specific, for assembly and setup. They will break down all cartoning and place in your dumpster or leave for recycling. Prior to delivery, area must be cleared out and ready for merchandise. If your facility has steps or stairs with no elevator, we must be informed in advance, as there may be additional charges incurred.

**PLEASE NOTE: When your items arrive—inspect your order before allowing driver to leave! Always note damaged items on the bill of lading.**

Signing the freight bill acknowledges that you have received the merchandise ordered AND it was in good condition. Unless you indicate the specific problem on the freight bill and both you and the driver sign it, it will be difficult to file freight claims and remedy lost and/or damaged merchandise. If you have problems with the driver or merchandise, CALL OR FAX IMMEDIATELY!

Call (800)220-JESS to advice of the action you took, or to describe the difficulty.

Fax a copy of the freight bill that was noted and signed by driver. Fax—(215) 625-3637

A freight claim will then be filed upon your behalf with a replacement ordered.
